Building Slumps During September

The Albany Building Department issued 37 permits during the month of September for the construction and alterations of buildings estimated to cost a total of \$13,578.40, compared to \$65,652 for the same period a year ago.

According to a report issued by City Engineer H. N. McLaughlin, 16 permits were approved for new residential roofs at an estimated cost of \$4672.14 for home alterations, \$7549; three commercial alterations, \$412; and one each for garage alteration, \$500; new carport, \$300; billboard sign, \$45, and walkway awning, \$100.

Value of permits for the first nine months of 1953 totals \$295,418, compared to \$457,250 for the same period in 1952.

Fees collected on permits issued during September totaled \$252.55. Shop at 1389 Solano Ave. And from them a hearty thanks to their many friends and customers over the past years.

FIDELIS SHRINE No. 60 will hold an appointive officers' party at 8 p.m. Monday in the social hall of Albany Community Church, Marin and Stannage Aves. The fête will honor Queen Betty Williams and King Warren Bailey with others. Guests will be officers from other shrines in the district.

FALL BAZAAR—Women of Northbrae Community Church have scheduled their annual bazaar for Tuesday, October 27, starting at 11 a.m. in the church hut. A luncheon will be served in the main auditorium at 12:30 p.m. The bazaar will feature tables well stocked with homemade food and candy, needlework, white elephants and gift articles.

A FRIENDLY CUP of coffee was a good start for the United Crusade's residential training session in the home of Mrs. Harry C. Weaver, right, 1038 Peralta Ave., who, with Mrs. Eugene M. Blank, left, heads Albany's United door-to-door appeal. Joining the co-chairmen was Mrs. Clifford V. Helmbucher, chairman of the over-all East Bay residential drive.

School Board Approves Social Security Plan

A plan to provide social security benefits to 56 school employees not presently covered by any retirement plan today has been approved by the Albany Board of Education.

The proposal will be presented to the employees concerned, and if approved by a simple majority vote will become effective January 1, 1954. Employees covered in the plan are 12 child care center workers and 44 part-time helpers.

Dr. Paul C. Bryan, superintendent, said the Board drew up two alternatives to be voted on by the employees:

1. Whether to make the plan cover prior service from January, 1951, with the district and employees sharing equally the back amount, or,
2. Make the plan effective July 1, 1952, and the school district assuming the entire cost.

In either event, it would cost the district an estimated \$600, Bryan said. He added that the district cost for child care employees would be paid from State child care funds and would not be an additional charge against the district. Cost for the other employees would be paid out of the general fund.

Bryan said that at present all certified employees, the regular full-time non-certificated employees and the cafeteria employees who work more than four hours a day are covered by two other retirement systems.

In other action, the Board authorized the purchase of five musical instruments for the high school music department at a cost of \$1117.14. They include a French horn, bass clarinet, two trombones and a bass violin.

A \$1500 claim for damages filed in behalf of a Richmond youth injured when he fell at the Albany Pool last Summer was denied and referred to the district's insurance carrier.

The Board also went on record as opposing any highway changes that would increase the traffic on school streets.

cheon will be served in the main auditorium at 12:30 p.m. The bazaar will feature tables well stocked with homemade food and candy, needlework, white elephants and gift articles.

Assisting on the committee are Katherine Sutherland, Bessie Scott, Laura Roderick, Edward Hanahan, and all members.

The unit will observe "army night" at its October 26 meeting, 8 p.m. at the Veterans Memorial Building.

Songs, dances and various skits of Army life will be given by army wives for the entertainment of the Navy and Marine wives.

Albany Chamber of Commerce Honors Mrs. Bea Raymond -- Veteran Civic Leader

"Talent to originate and skill to produce dreams into reality" quickly identifies one person known to all Albanyans and throughout Alameda County.

She is Beatrice Raymond, Albany's number one feminine leader and the grande dame of real estate, who was honored by the Chamber of Commerce last night for her outstanding contributions to the city during the past years.

A booster for the City of Albany for more than a quarter of a century, Mrs. Raymond, who is 75 years young "and doesn't care who knows it," has participated in Chamber of Commerce work here since its organization in 1933. Serving on the Board of Directors and later assisting in the reorganization of the chamber, Mrs. Raymond was elected president in 1937. She filled the post so capably that she was retained for two more terms. Feeling that this honor should be offered someone else, she declined to run for a fourth term but accepted the office of secretary. Mrs. Raymond was later elected to the top executive office, a position she has held for the past three years.

Paying tribute to the veteran leader last night, the Chamber of Commerce on behalf of the city presented Mrs. Raymond with a plaque bearing her name and due credits. The presentation was made by County Administrator Edwin C. Howell during a dinner meeting at Golden Gate Fields.

"I am sure that everyone is aware of the fact that Alameda County is currently celebrating its 100th anniversary," said Howell. "Tonight it is our pleasure to pay homage to a young lady active in community affairs, who is riveting this anniversary."

Among many things, Mrs. Raymond is directly responsible for the U.S. Government selecting Albany as the location for the Western Regional Laboratory, one of four such labs in the United States.

Through her efforts the Government established a branch Post Office in Albany, the Mechanics Bank opened a branch office here, and Golden Gate Fields came into existence.

On March 1, 1927, "Bea," as she is affectionately known by both young and old, opened her real estate office at 854 San Pablo Ave., where she has actively carried on business since that time.

In 1935, she served on the Regional Park Board, and was officially appointed by the mayors of nine East Bay cities to organize a Regional Park District. Through her efforts thousands are today enjoying the beauties of Tilden Regional Park. In addition, she served as a member of the 1939 World's Fair Advisory Commission for the Golden Gate International Exposition. Mrs. Raymond was one of the first directors of the Albany Savings and Loan Association and served as vice-president of the Security Savings and Loan Association.

This energetic lady has been active in numerous civic activities including the Red Cross and Community Chest and has been extremely successful in her fund raising activities with these groups. She is a charter member of the Albany Soroptimist Club, and for 18 years has been in full charge of all arrangements for the annual C. M. MacGregor Day, an event eagerly anticipated by local school children.

This well known personality enjoys relating colorful anecdotes of Albany life during the bustling years. When it comes to hobbies, she is most enthusiastic about fishing. There are two sports that she plans to tackle when she has more time after her 100th birthday—tap dancing and archery.

Born June 13, 1879, on a farm in Kansas, Mrs. Raymond came to California in 1910. She was engaged in the advertising business in Oakland and San Francisco before coming to Albany.

ANTIQUES SHOW—Georgette Cunningham of 1502 Solano Ave. and Rose Turpin of 1404 Solano Ave. are participating in San Francisco's annual Antiques Show and Sale at the Civic Auditorium today through Sunday. The show, featuring over \$250,000 in antiques, is open to spectators from 12 noon to 10:30 p.m.

MRS. BEATRICE RAYMOND eagerly sells Mayor Lewis Howell a ticket to the annual Chamber of Commerce dinner at Golden Gate Fields. Mrs. Raymond didn't know until the gala fête last night, however, that it was to honor her 20 years' service with the organization.

Albany Methodists to Dedicate Organ Sun.

A dream of many months of working and planning will be realized on Sunday when Albany Community Methodist Church dedicates its new Memorial Organ at the 11 a.m. service.

The dedication service will be conducted by the Rev. Norman Conrad, district superintendent, and the Rev. Douglas H. Henderson, pastor.

The Memorial Organ fund was originated by friends of the late Mrs. Linda Lockhart at the time of her death three years ago. Since that time other memorial gifts have been made to the fund, along with contributions from various projects sponsored by church groups. A Comsonata Electronic Organ was purchased and installed in the church a short time ago.

The organ will be presented to the church and dedicated in memory of Mrs. Lockhart, Mrs. Raey Blackwell, Mrs. Elsie Griffiths, Mrs. Margaret Agren, Miss Sandra Bissett, Mr. Carl Frisvold, Mr. C. Raymond Carson, Mrs. Martha Orilla Ulrich, Mr. Robert F. Priebe, and Mr. Gordon Rydman.

A plaque bearing these names will be installed in the church. The public is invited to attend the dedication services.

Albany SOROPTIMIST News

Reports on the District I Conference held in Salinas last week-end were presented to members of the Soroptimist Club of Albany at its regular weekly meeting Wednesday. On the agenda for next week is the Annual Benefit Barbecue to be held Sunday, October 25, at the home of Dr. and Mrs. Robert T. McMahon, 721 Gateview Avenue.

A large group of members and their guests is expected to attend this affair, featuring a barbecue, music and entertainment, under the able guidance of Dorothy Simmons, general chairman.

The Soroptimist Club would like to extend thanks to the many Albany merchants who donated generously gifts for the door prizes. The next meeting of the Albany Soroptimists will be held at the home of Bea Williams, 6424 Fink Lane, at 12:15 on Wednesday, October 28.

Albany Couple to Celebrate 60th Anniversary

An open house honoring Mr. and Mrs. James Dempsey of 742 Madison St. in observance of their 60th wedding anniversary will be held Sunday afternoon at the Cerrito Civic Club in El Cerrito.

The gala occasion will be held between 4 and 8 p.m., during which over 100 guests will be present to extend best wishes to the celebrants. Host and hostess will be the couple's son-in-law and daughter, Mr. and Mrs. Charles Moisen of El Cerrito.

Reciting their wedding vows on November 1, 1893, at Ferkin, Ill., Mr. and Mrs. Dempsey made their home in Denver for 23 years where their six children were born. They have resided in Albany since 1918. Mr. Dempsey, who celebrated his 83rd birthday last May, was an iron molder for 30 years before retiring seven years ago. His wife was 80 on August 21. Gardening, housework and television occupies most of their leisure time, along with entertaining 11 grandchildren and five great grandchildren.

In addition to Mrs. Moisen, the Dempsey's four sons and their families will also attend the celebration. They are Edward of Oakland, James of Redding, Ralph of Concord and Paul of Albany.

No. 8

By JIM BLANCHARD

Bing Crosby finally broke down recently and ordered his writers to do their best gag writing caps. After resisting all efforts to get him to do a television show of his own, Der Bingle suddenly announced that he would do one over CBS on December 27th. Avid viewers will recall that Bing's only other video spots, aside from a telethon with Bob Hope last year, have been walk-ons with Hope and with Joan Davis, who happened to have the same sponsor as Bing.

Crosby is still dead set against doing his shows "live," so unless something radical happens between now and Dec. 27 he'll be doing all his TVing via the film route.

While Bing is letting the bars down, his co-star in the new film, "White Christmas," is still a hold-out. That's Danny Kaye, one of the last of the big name comics still at large from TV. Danny says he hasn't done any video simply because he doesn't know what kind of a show he'd do.

Danny describes himself as "not exactly" a comedian. He believes he's more of an entertainer. In that case, TV should be just the medium for him. A real entertainer doesn't have to depend on his writers quite so much. We'll be happy to welcome Danny Kaye when he joins the parade of TV stars. PHILCO is the TV set to own for real enjoyment of the parade of stars. We have a large stock from which to choose at SKIP'S RADIO & TELEVISION SERVICE, 1553 Solano Avenue, phone Landscape 5-4313.

CONFUSION AT MacGREGOR—These little girls are causing more grief than a pair of twins for MacGregor School kindergarten teacher Meriel Harphan, right. Instead of seeing double, she is hearing double when she calls roll. Both six-year-olds are named Judith Young. That's Judith Anne on left, daughter of Mr. and Mrs. Delmar J. Young, 646 Key Route Blvd., and the other Judith Ann is daughter of Mr. and Mrs. Stanley J. Young, 631 Spokane Ave. Both were born in April, 1948, in same hospital, with same doctor. Living right around corner from each other, they are fond playmates.

I SAVED
\$116.86
ON THE CAR
I BOUGHT

"I made over a 50% down payment on a late-model car. I was told it would cost me \$257.50 to insure the car and finance the balance of \$700.00. Lucky for me I'd talked to a State Farm agent first, because I used the Bank Plan instead and paid an insurance and financing charge of only \$140.74. I saved \$116.86." (One of many actual cases.)

Many People Assume
Finance Rates Are Standard
THEY ARE NOT!

The Bank Plan offers you two proven money saving methods. Low-cost financing through a nearby bank and low-cost preferred-risk insurance rates. Get your own figures on the cost of the car you want and COMPARE them with Bank Plan costs FIRST! Call or see your State Farm agent BEFORE you buy.

Howell to Head Albany Christmas Seal Drive

Edwin S. Howell will head the 1953 Christmas Seal sale in Albany, it was disclosed today by E. W. Samuel, Emeryville industrialist and county chairman for the fund appeal in behalf of the Alameda County Tuberculosis and Health Association.

Howell, who served in the same Seal sale capacity last year, is Alameda County administrator.

In announcing Howell's appointment, Samuel emphasized the importance of continuation of the East Bay's TB control program.

He called attention to the seriousness of the tuberculosis problem in Korea where organized efforts to control the disease had to be discontinued.

To help keep the public alert to the dangers of TB, the nation's No. 1 killer among contagious diseases, an extensive educational campaign will be conducted along with the Christmas Seal Sale, which is to get underway some-

time in November, Samuel declared.

Grace Lutheran

"Sacrificing for God's Honor" will be the sermon topic of the Rev. Orwin R. Janke, pastor at Grace Lutheran Church, Santa Fe Ave. at Ward, in the hour of worship at 11 a.m. Sunday. The lesson topic for the graded classes of the church school meeting at 9:45 a.m. will be "A Secret Disciple, Nicodemus."

Floral Displays

There are two important steps in providing beautiful floral displays. The first of these is the care which is given to all floral offerings received at our establishment. Through proper attention, the natural beauty of the flowers is preserved.

The second step is, of course, the arrangement of the individual pieces into an attractive display. Proper and careful blending actually enhances the beauty of the flowers, and makes for a beautiful and long-to-be-remembered memory picture.

How to make
good telephone service
even better....

will spread the news
if you call by number When you're
ring out-of-town calls you'll find that your calls
rough faster — twice as fast — if you give the operator
a telephone number you want rather than just the
address. That way, you see, you won't have to wait
till she calls "Information" to get the number
telling. So why not keep a list of out-of-town numbers
day — it's surprising how much time you'll save.

now you can take calls
anywhere in the house
... with handy extension telephones.
... more missing important
calls, simply because you
are in a distant part of
the house and couldn't get
to the phone in time. You can
use extension telephones now —
for just a few pennies a day.

Why it pays you
to do business
with your local
insurance agent
or broker

Insurance protection in to-
day's social and economic
whirling world, is a compli-
cated factor.

It can protect you from dis-
aster... if properly handled
... or lead you to it, if mis-
handled.

Dealing with a qualified,
licensed insurance Agent or
Broker is your first step in
guaranteeing the correct
handling of your insurance.

First of all, your Agent or
Broker is local, which means
that he is available at all
times; he is at your service.
And there is no "consulta-
tion" charge for his avail-
ability and advice.

Next, your Agent or Bro-
ker knows which Insurance
Companies are best equipped
to properly protect you and
service your account. He
knows which Companies
have the contracts that will
meet your special require-
ments.

And then, too, your Agent
or Broker is an independent
businessman. He is spurred
on by the competitive re-
quirements of the free enter-
prise system, to which he
owes his very economic being
... he must do a good job for
you if he is to keep your
business.

Those are a few of the rea-
sons why you should do busi-
ness with your Local Agent
or Broker.
